Art/Visual Arts: Illustrate a map based on Salmon Story

Instructions Key:

1. Label the River and color the river dark blue.
2. Label the Creek and color the creek light blue.
3. Color the grass area green.
4. Color the drying rack brown. Color the salmon on the drying rack red. Cut out the drying rack and glue it on the grass near the river.
5. Color the small basket with fish bones light brown. Cut out the smaller basket and glue it near the creek.
6. Color the rocks grey or black. Cut out the rocks and glue them on the grass in a place that you think would be good for the Old Man to sleep.
7. Draw salmon swimming in the river.
8. Cut out the fish trap basket and glue it in the river in a place you think would be good to catch salmon.
