Regulated Closure Tribal Forest

Due to increasing fire danger and the potential for loss and damage to Tribal resources from wildfire, the following Tribal Forest **Regulated Closure** is issued effective June 1st 12:01 AM. The **Regulated Closure** is implemented at the start of fire season and the Industrial Fire Precaution Level (IFPL) is declared at Level 1.

- Motorized and non-motorized travel is permitted across the roads listed below for the limited purpose of accessing private and public lands that remain open to public use.
- All Public Access is Prohibited on the Tribal Lands, including parking and recreational use
- Tribal Members and their Families, Employees and Approved Contractors have access to the lands, but are required to carry basic fire tools that meet the IFPL Level 1 Requirements.
    - ✓ No Fires
    - ✓ 1 round pointed shovel at least 8 inches wide, with a handle at least 26 inches long
    - ✓ 1 axe or Pulaski with 26 inch handle or longer
    - ✓ 1 fire extinguisher not less than 5 pounds rated ABC.
- Please refer to the Tribal Forest Access Policy on the website for additional information related to specific Tribal Forest Tracts and restrictions that may apply during fire season.

This **Regulated Closure** shall remain in effect until it is withdrawn by the Forest Lands Manager. In the Situation where the IFPL is increased to a Higher Status, additional communication will be distributed.

Current IFPL & Public Use Restriction levels can be determined by calling the appropriate number as listed below, or by visiting:
