NAME:_____

# THE HANISIICH VILLAGE

Who lives there and what do they eat? What values are important to the village people?:

## Values:

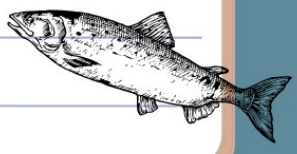

What are some values of the *hanisiich* village?

## People:

Who are some of the people at the village?

What is an important food at the *hanisiich* village and how is it cooked? Do you think they have more fun eating with a large group rather than alone?

Where are places you need to be invited in and where are places you can just walk into?
