Let's Make A Graph

Learn different facts about animals in the story and then vote on which one is the most interesting to you. Use the data collected by the whole class to make your bar graph.

Beaver (brown) 

Bear (black) 

Wolf (blue) 

Deer (red) 

Rabbit (purple) 

1. What animal did the class like the most? _____
2. How many votes did that animal have? _____
3. What animal did the class like the least? _____
4. How many votes did that animal have? _____

What animal did you like the most and why?

_____
