CAMAS LIFE CYCLE WORKSHEET

1. **Label the Seasons and Months:** Label the seasons and months on the round, beginning with December.
2. **Focus on Camas:** Using the *Camas Life Cycle Narrative*, add drawings, words and symbols to show what Camas is doing during each season. Include what is happening above the ground and below the ground.
3. **Label each phase of Camas's life cycle**: Label the life cycle phases you showed in your drawings and words.
4. **Notice the Patterns of Return:** Use your round to show how Camas grows, rests and returns over time.
